Board of Selectmen

Northfield, New Hampshire

1986 has been another year of population growth and our tax base has increased due to 66 single-family homes and the Scribner Road apartment houses project. This has resulted in only a 42¢ per thousand increase in our tax rate. When the condominium project on Bean Hill Road is completed it will also affect the tax rate.

The engineering on our existing stump dump closing has been completed and we hope to finish that project this year. Our new facility located at the Carr Pit on Sargent Street is also in the final stages of being completed.

This has been a very busy year for both the Planning Board and Zoning Board of Adjustment. The Selectmen can never thank enough the members of these boards, including the Budget Committee, for their dedicated service to the Town of Northfield.

This summer the State of New Hampshire will receive bids and award the contract for the construction of the new bridge on Cross Mill Road. Hopefully the project will begin in 1987.

An independent study of the needs of our Police Department was made this year. When the study was completed, with the cooperation of Chief Paul Leary, some changes were instituted in Police policy.

The new fire station on Park Street has been completed, a job well done, thanks to a tremendous effort by the committee members, Firewards, Chief Harbour and everyone in the fire department.

Again, the Board of Selectmen wishes to express its gratitude to all the elected officials, town employees, committee volunteers and residents for their help during 1986.

Respectfully,
Roy L. Jordan, *Chairman*

Auditor's Report On Financial Presentation

March 24, 1986

To the Members of
the Board of Selectmen
Town of Northfield
Northfield, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Northfield, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Northfield, New Hampshire, at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents, including the supplemental schedule of Federal assistance, is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Northfield, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

In the past year, the Cooperative has been working with Signal Environmental Systems in monitoring and assisting the effort of permitting for the proposed resource recovery facility in Concord. The project requires obtaining over twenty-five local, state and federal permits and approvals. At present, two permits are outstanding and these are expected to be granted in 1987.

In December, 1986, the New Hampshire Supreme Court ruled on an appeal by Public Service of New Hampshire of the project's power rate filing determined by the Public Utilities Commission (PUC). The court ruling confirmed the PUC procedures, allowing the resource recovery project to proceed.

In 1987, it is anticipated that the permitting will be completed, the project will be permanently financed, and construction of the 500 ton per day refuse to energy facility will be initiated.

Annual Report of the Northfield Police Department

The Northfield Police Department answered 4,119 calls for service in 1986. A breakdown of activity is submitted and follows this report.

1986 was a busy year for the Police Department. We had a 44% increase in activity over 1985. We added a fifth officer to give Northfield twenty-four hour coverage. We lost a Sergeant to another town, and had another officer leave. It has been a hectic year training three new officers, and still trying to give the people of Northfield the coverage and services they deserve.

As part of the Police Department's effort to keep abreast of changes and training in law enforcement, our officers completed many training sessions, advanced school, and seminars at the New Hampshire Police Academy in Concord, and at other agencies in New Hampshire and Maine during the past year. They are as follows:

- Emergency Services Dispatcher School
- Survival From Four to Midnight
- PR-24 Certification School
- Stress Management for Managers
- Civil Defense Winter Conference
- Civil Defense Summer Storms Conference
- Law Related Education Staff Development Program
- Tactical Communication for Managers
- Hostage/Barricaded Suspect School
- First Line Supervision
- Interviews and Interrogations School
- Firearms Instructor Refresher
- DWI Improved Sobriety Testing
- Firearms Training Refresher and Qualification

Diane Heath and Joshua Ingham also completed Part-Time Officers' School, an eighty-hour basic course at the N.H. Police Academy.

At year's end, Sr. Patrolman Christopher Warn was promoted to the rank of Sergeant, and Officer Douglas Ricard was promoted to Corporal. Officer Brian Rogers was getting ready to attend the N.H. Police Academy in January. Special Officer Joshua Ingham became a full-time patrolman, and will attend the Police Academy in June. Diane Heath, Administrative Assistant, is now also a Special Officer so that she may assist me in the investigation of child abuse and sexual assault cases.

Respectfully submitted,
Paul M. Leary
Chief of Police

Tilton-Northfield Recreation Council Annual Report 1987

The activities provided by the Tilton-Northfield Recreation Department have given enjoyment and knowledge to many people of our towns in all age groups, from pre-school to senior citizens. New programs and continuing programs are offered throughout the year. Some of the various programs are: pre-school classes, basketball, family skating, skating lessons, skiing lessons, aerobic dance, aerobic exercise, after-school specials, tap, ballet and jazz, soccer, golf lessons, swim lessons, playground and various other programs. It is our desire to offer a well-rounded program schedule to the area citizens.

At a recent council meeting with the Tilton Selectmen we were informed that our operation must vacate the Tilton Town Hall, which has been used by the T-N Rec Dept. for over thirty years. The town of Tilton needs the space for town meetings, votings, etc., which has been previously been done in the schools. We, as the Tilton-Northfield Recreation Council are looking into possibilities to build a recreation center for the two towns. Our first step is to find a piece of land. We will be trying to obtain a spot behind the baseball field in the Northfield Pines area from the town of Northfield at town meeting by way of a warrant article. We will need the support of the voters to obtain this. Please help us out by participating at the town meeting to vote on this article.

The council acknowledges with gratitude the public funding of these programs. Our thanks to all the organizations, merchants, and individuals who have contributed materials, funds and time.

Hall Memorial Library Report Public Library for Tilton and Northfield 1986 Report

Many newcomers to the library in 1986, frequently called to ask "Where are you?" Yes, we are on the Northfield side of the river, at Park and Elm Streets, across from the Union Sanborn Elementary School. We serve both Tilton and Northfield as their public library, receiving funds from both towns.

For ten months of the year (Sept.-June) the library is open nine hours a day on weekdays, with a short day on Saturdays (11:00 a.m.-2 p.m.). Summer months, July and August, the library is open five hours a day Monday through Thursday, and 11:00 am.-2 p.m. Fridays and Saturdays. Regular Story Hours for pre-schoolers and Free Film programs for all ages are held throughout the year.

Children's books, including the special books for pre-schoolers, are very well-used. Adults appreciate the flow of new books, including many best-sellers, the up-to-date encyclopedia, *Current Biography*, and *Reader's Guide to Periodical Literature* (backed up by seven-year-old collections of *Newsweek*, *Time*, *U.S. News* and others). We are fortunate in being able to participate in the state-wide inter-library loan system, and the State Library reference department augments our smaller collection. Cook, how-to, history, art and poetry books provide a moveable feast.

During the first quarter of 1986, New Hampshire authors were emphasized, partly due to the librarians' presentation before the Lakes Region Chapter of the NHRTA in Meredith on January 20. Four authors who were emphasized at the meeting and in the library exhibit were: Donald Hall of Danbury, poet laureate of New Hampshire, critic, baseball fan, and author of the ever-popular *String Too Short To Be Saved*; Tomi DePaola of New London, author-illustrator of such children's books as *Strega Nona*; Elizabeth Yates of Peterborough, who writes for older children and adults, noted for her spiritual insight and generosity as well as for her talent; and Morgan Llywelyn, author of *Lion of Ireland* and other Celtic tales, formerly of Intervale.

The high point of the second quarter was the Robert Cormier Open House at the library on April 29. Only the cooperation of six other libraries and the N.H. Council for the Humanities made this opportunity possible. Nancy Conklin of Tilton School spearheaded the meetings, preparing for this visit, and Barbara Powers was co-hostess. Visitors came from some distance to hear the famous young adult author (*Chocolate War* and *Beyond the Chocolate War* are among his books). Cormier answered questions, autographed books, and provided the sixty or seventy who met him at the library with an unforgettable experience.

During the summer a large dinosaur dominated the entrance hall, inviting children to take part in the summer reading program: *Books Are Big Fun!* Over twenty did enthusiastically read and make reports, making them all winners. On August 20 they enjoyed an ice cream party with games, prizes and sharing unusual book reports.

The last quarter provided the "new" time for the annual book sale, held

Hall Memorial Library Report – continued

at the library on October 18. Camille Tolme and other “Friends of the Library” staffed the tables. Marjorie Wentworth of the Poetry Society of New Hampshire provided an eye-catching display to turn our thoughts to Poetry Day (October 15) and Stephen Randall of the Northfield Historical Society brought in an impressive exhibit of *Women at Work*, based on the oral history project by older Warner women recalling a way of life that has radically changed. What stories some of *our* citizens could tell!

The first display of the season was Hummel figurines in January, along with a book on the subject. Marie Tavares organized a display of Native American handicraft in March. *The Friendship Grange* exhibit was lent by Marion Houlihan in April. Arline Sheehan’s second grade *Young Authors* had a display of their original books in June. The Christmas tree donated by David Cheever from his Bean Hill lot and the Tilton-Northfield Garden Club’s beautiful Christmas wreath made by Clara Hardy added to our holiday cheer. Much appreciation is due all the above, and everyone who contributed to making the library a pleasant and inviting place.

Annual Report of the District Nurse

Fiscal Year January 1, 1986 through December 31, 1986

The number of visits totaled 913. 526 in Tilton, 387 in Northfield, with 74 office visits. There were 67 admissions, 16 readmissions, 40 discharges, and 797 revisits.

Divisions of visits according to diagnosis:

Antepartum	1	Blood Dyscrasia	46
Postpartum	19	Cancer	93
Prem/high risk	18	Arthritis	4
Well Child/Infant	36	Diabetes	19
Gynecological	2	EENT	2
Neurological	45	Gastro-Intestinal	24
Respiratory	7	Periph. Vasc.	47
Orthopedic	7	Mental Health	45
CVA	60	Non-Ortho.	4
Cardiac	240	Adult Health	194

On January 1, 1986 the District Nurse office was moved from 183 Main Street, upstairs, to 192 Main Street, downstairs. The moving was done by the Board of Directors and spouses. Many thanks to all.

Along with the new office came a sign. The sign was taken down and put up again by the nice folks at Bryant & Lawrence, who also donated the paint with which the Reverend Corringham painted and lettered the sign so beautifully. Thank you Bryant & Lawrence. Thank you Reverend Corringham.

On May 17th the Tilton-Northfield District Nurse had a booth at the Franklin Hospital Health Fair. Many people stopped by to have their blood pressure checked and/or to receive pamphlets.

Eight blood pressure clinics were held in 1986. Seven were held in the recreation room of the Belle Peabody Apartments. A total of 109 were seen. Mr. and Mrs. Richard Smart assisted.

Two Well-Child Clinics were held this year. Dr. Weinraub volunteered for one of them and Dr. Friend for the other. Dr. Mishcon and Dr. Schneider have also volunteered to take their turns. Assisting at the Clinics were Nan Smart, Lib Robert, Kay Stewart, Linda Goodwin, Doris Picknell, Mary Dwinal, Marty Moore, Edith Croteau, and Jean Piszczek. Thank you to all the people associated with the clinics.

Thank yous to Cindy Zachelli, RN; and Meg St. Gelais, RN for substituting for the District Nurse when needed.

The distribution of Christmas baskets was once again coordinated by the District Nurse with much help from school nurse Kerry Rainville, RN. Thank you also to all the organizations and anonymous donors for trying to make Christmas better for all.

I wish to extend my heartfelt thanks and appreciation to all organizations and individuals, including the Board of Directors of the Tilton-Northfield District Nurse Association, who have assisted me in carrying on the work of the Tilton-Northfield District Nurse.

Sincerely,
Deanna L. Stillings, RN

1986 Report of the Youth Assistance Program of Northfield, Sanbornton, and Tilton, Inc.

Our Youth Assistance Program has had increasing activity this year. Not only have we worked with young people in need of court diversion, but we have had opportunity to become involved with youths and families in need of help.

Our daytime parent support group is exciting and productive. We are making plans for an evening meeting as well.

Strides are being made in an independent living program for youths to help prepare them for a time when they may strike out on their own. Study includes job hunting, apartment living, home and money management, etc.

The People Program is small but growing. We need adult volunteers. It is a worthy and rewarding activity. There are many youngsters who need a caring adult to spend special time with them. All prospective volunteers are carefully screened. We work closely with them to help build successful and happy relationships.

We are pleased to report that we have many new volunteers for the Juvenile Review Boards. Without these good people we could not do the all-important court diversion work.

Our appreciation is offered to the police departments of Sanbornton, Tilton and Northfield, and to the personnel of the Winnisquam Regional School District. It is a pleasure working with you.

Respectfully submitted,
